I have tons of questions to ask, but I feel too dizzy to ask.
Um
So..

Why are you here..
Well.. I mean..
What happened between you and me..

DON'T LIE.
Kya-ah.
Hehe

I'm joking!
Haha

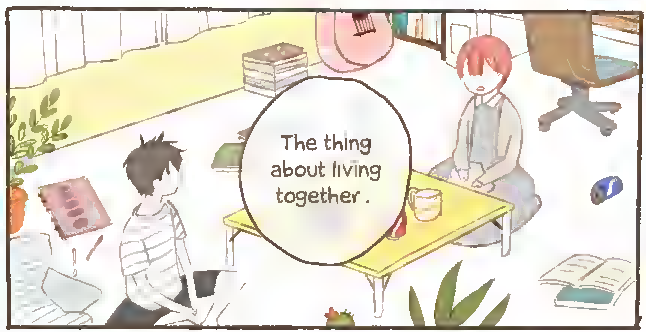
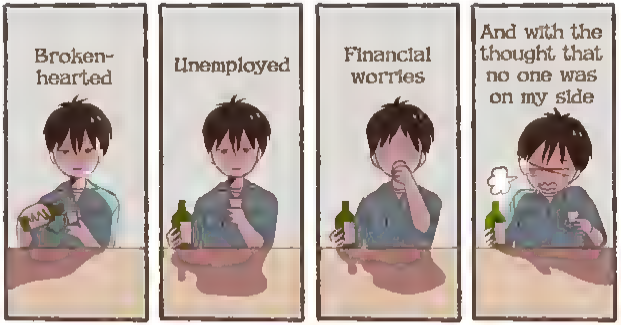
Did you have a black out?
I remember a bit
Black Tea
Then
you'll remember that too



The thing about living together .

Wow...

You were having a hard time,
drinking without eating ..



Broken-hearted
Unemployed
Financial worries
And with the thought that no one was on my side

I drank
My way
I
thorne
and drank

When I comforted you
I was right beside you, and you said

"I keep on giving up, because it's so tiring..."
"It'd be nice if someone rooted for me..."
And

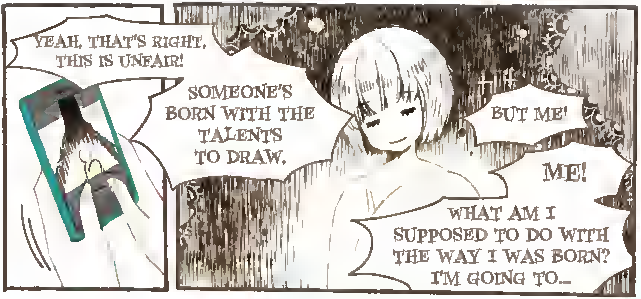
In the end, she went back inside.
Be-beep
My stomach

Ok. No problem! Leave evidence. film me!
What is it now

Hey, is it filming?
Yeah—
Hahaha, your eyes are half closed, haha
Wait—
You should come over here too.
Ah is that so
Wah it's working now—
Does this record the sound well, too?
Oh huh
What are the conditions for moving in?
To pay half of the bills
And?
Teach me art.
Okay!

DIZZY
See?
Let's take a look at yesterday's party.
NOISY
NOISY
NOISY
What's the point in living~
I should at least become a fertilizer~
I'll go to sea~
Urgh
Whatever man, do what you want
No... No.
This is the world's fault
MUMBLE
The fact that I don't have money for the rent
MUMBLE
or the fact that I got dumped.
MUMBLE
MUMBLE
And even the fact that I have
absolutely no talent in art



YEAH, THAT'S RIGHT. THIS IS UNFAIR!
SOMEONE'S BORN WITH THE TALENTS TO DRAW.
BUT ME!
ME!
WHAT AM I SUPPOSED TO DO WITH THE WAY I WAS BORN? I'M GOING TO...

GIVE YOU...
AAAAAH!
SLAP
ON WHOSE CONSENT?!!

?!!?!??

I'm disappointed—

To think you were just a petty guy like this...

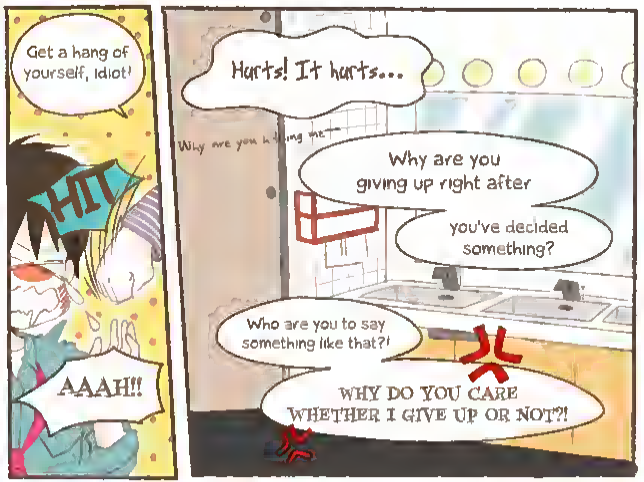
You're...
Lee Sonag?



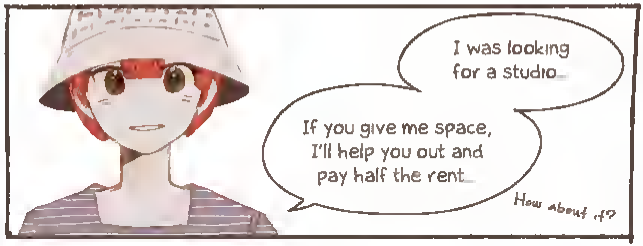
Get a hang of yourself, idiot!
HIT
AAAH!!
Hurts! It hurts...
Why are you hurting me...
Why are you giving up right after
you've decided something?
Who are you to say something like that?!
WHY DO YOU CARE WHETHER I GIVE UP OR NOT?!

If you're not gonna help, beat it!
I'll help you
Eh?
Tap
Tap
I don't see any problems

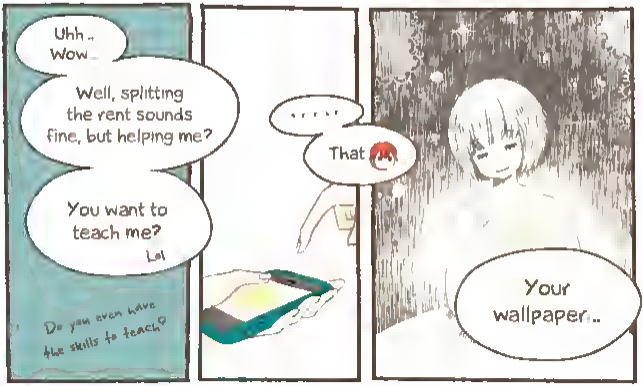
I don't have money
Then you can earn it
I'm not good enough to earn money
Then you can learn it.

It's easy for you to say!!
Wait!
Now that I think about it, this is weird.
What is ..?
You haven't met me in years and now you want to help me?
Are you Uh, a multistep starter??
I'm against violence.
Don't hit me!

Of course I can't help you for nothing
Then
I want you to let me use your studio
E-eh?



I was looking for a studio
If you give me space, I'll help you out and pay half the rent
How about it?



Uhh.. Wow
Well, splitting the rent sounds fine, but helping me?
You want to teach me? Lol
Do you even have the skills to teach?
That
Your wallpaper..

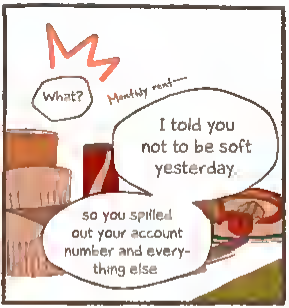
That's my drawing

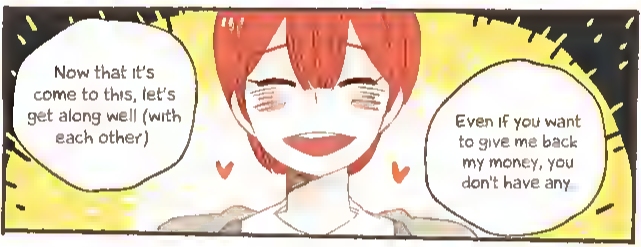
Then you told me to come in right away
Back to the present
Well, ok, but
That means you did this to my face

Uhehe
What are you getting shy for?
If never said we could be together
Anyway!
Yesterday I was drunk and I don't want to share with you

So pack your stuff and lea
Vibrate

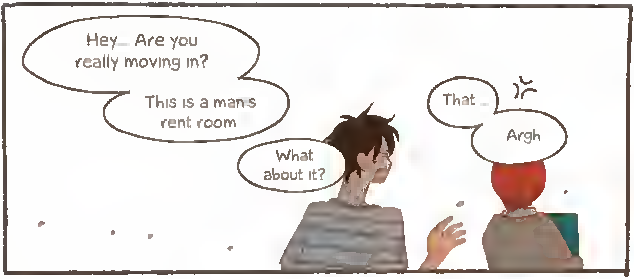
Landlord
I just got your monthly rent, please don't delay the payment next time!!





Monthly rents from 270 dollars to 135 dollars.

The teeny tiny studio's (and accomodation) went half in size.



And just like that, Lee Sonag, whom I haven't met in 10 years

Came rolling into my studio just like that.
